Dear Booky:

I am enclosing a copy of the inventory of the undivided one half interest assets as attached to the KJR Bill of Sale.

When I come to check this over it looks like a more complicated job than I had anticipated.

I have checked with blue pencil the major items that, in my opinion, should go to KJR.

The rest of the items could go either way without serious handicap to either party.

It is hard for me to do much more until I can sit down and talk things over with you.

Regards.

Very truly yours,

F. J. Brott
Chief Engineer
